6	Materion Caeau Chwarae	Play Area Matters
6.1	Offer Newydd – Caeau Chwarae.	New Play Area Equipment
	Hysbysodd y Clerc y Cyngor a rhoddodd adroddiad llawn fod cais blaenorol a gyflwynwyd yr haf diwethaf am grant gwella manau chwarae drwy Gynllun Gofal Plant a Chwarae Ynys Môn wedi'i wrthod gan nad oedd yn bodloni'r meini prawf. Fodd bynnag, roeddent wedi ailasesu'r meini prawf ac yn gwahodd y rhai oedd yn dal i fod â diddordeb i ailgyflwyno eu cais i'w ystyried, lle byddent yn hapus i gytuno ar yr un telerau ac amodau a bod yn rhaid cwblhau'r holl waith erbyn diwedd mis Ionawr 2026. Ar ôl siarad â'r Cadeirydd a'r Is-gadeirydd, rhoddwyd caniatâd i'r Clerc fwrw ymlaen ac y byddai £10,000 ar gael i ddisodli'r hen goliau pêl-droed yn y ddau faes chwarae am gost o £16,145.40 (gan gynnwys TAW) ac wedi ei osod gan Play & Leisure Limited gyda'r diffyg yn cael ei gwrdd gan gronfeydd a gedwir wrth gefn ac ad-daliad TAW sydd ar ddod. Roedd y tywydd garw diweddar wedi oedi'r amserlen waith, fodd bynnag, rhagwelwyd y byddai'r prosiect wedi'i gwblhau erbyn diwedd yr wythnos gyntaf ym mis Chwefror 2026. Cynigiwyd ac eiliwyd (DH/DJ) cymeradwyo'r camau a gymerwyd a chytunwyd ar hyn yn unfrydol gyda diolch i'r Clerc.	The Clerk informed Council and gave a full report that a previous application submitted last summer for a play space improvement grant via the Childcare & Play Anglesey Scheme had been refused as it did not meet the criteria. However, they had reassessed the criteria and was inviting those still interested to resubmit their application for consideration, where they would be happy to agree on the same terms and conditions and that all the work must be completed by the end of January 2026. Having spoken to both the Chair and Vice-Chair, the Clerk was given permission to proceed and that £10,000 would become available to replace the old small sided football goals at both the play areas at a cost of £16,145.40 (inclusive of VAT) from Play & Leisure Limited with the shortfall being met by funds currently held in Reserve and the imminent VAT return. The recent bad weather had held up the work schedule, however, it was anticipated that the project would be completed by the end of the first week in February 2026. Proposed & Seconded (DH/DJ) to approve the action taken and this was agreed unanimously with thanks to the Clerk.
6.2	Offer Roked	Rocket Equipment
	Cadarnhad bod y tywydd garw parhaus wedi atal y gwaith o adfer yr offer yma.	Confirmation that the ongoing bad weather had prevented the work to reinstate this equipment.

6.3	Ail Baentio'r Offer	Repainting the Equipment & Access Gates
	Atgoffa nad oedd disgwyl i'r gwaith gychwyn tan y Gwanwyn 2026.	Reminder that it was not expected to start the works until early Spring 2026.
6.4	Cofrestru Gardd y Mileniwm gyda Chofresrfa Tir EM & Thiry ng Nghae Rhosfain, Lon Groes, (Is Brydles CPD Y Gaerwen).	Register the Millennium Garden with HM Land Registry & Land at Cae Rhosfain, Lon Groes (Gaerwen FC Underlease).
	Cadarnhaodd y Clerc fod yr holl waith papur perthnasol wedi'i ddychwelyd i Gyfreithwyr y Cyngor Cymuned.	The Clerk confirmed that all the relevant paperwork has been returned to the Community Council's Solicitors
6.5	Beinciau & Byrddau Picnic Gardd y Mileniwm	Millenium Garden Benches & Picnic Tables.
	Cytunodd y Clerc i fynd ar ôl y dyfynbris a dderbyniwyd gan Plastecowood ym Modelwyddan (£761.20 ynghyd â TAW) i ailosod ac uwchraddio meinciau a bwrdd picnic y safle	The Clerk agreed to chase up the quote received from Plastecowood based in Bodelwyddan (£761.20 plus VAT) to replace and upgrade the site benches and picnic table.

	Cadarnhad gan y Clerc bod Cyngor Sir Ynys Môn wedi penderfynu rhoi'r gorau i'r gorchymyn traffig yma ac felly na fyddai'n cynnwys y cyfyngiad cyflymder rhwng yr Ystad Ddiwydiannol a Lôn Groes.	Confirmation from the Clerk that IOACC had made a decision to abandon this traffic order and would, therefore, not be including this speed restriction between the Industrial Estate and Lon Groes.
6.7	Cynllun Gwelliannau Seilwaith Bysiau Arfaethedig	Proposed Bus Infrastructure Improvement Scheme.
	Adroddodd y Clerc ei fod wedi derbyn e-bost gan Adran Trafnidiaeth Prifffyrdd Cyngor Sir Ynys Môn i gadarnhau eu bod wedi sicrhau cyllid grant gan Lywodraeth Cymru, yn unol â Strategaeth Drafnidiaeth Llwybr Newydd i ymgymryd â gwaith dylunio i wella'r ddarpariaeth seilwaith bysiau a gwella cysylltedd i gerddwyr mewn gwahanol leoliadau ar draws yr ynys. Dewiswyd Gaerwen fel lleoliadau i'w harchwilio, yn enwedig Gaerwen (arhosfan bysiau'r A5 ger Stermat) . Bydd y gwelliannau arfaethedig i'r arhosfan bysiau yn darparu gwell	The Clerk reported that he had received an email from the IOACC Highways Transport Section to confirm that they had secured Welsh Government grant funding, in alignment with the Llwybr Newydd Transport Strategy to undertake design works to improve bus infrastructure provision and enhance pedestrian connectivity at various location across the island. Gaerwen had been chosen as locations to be explored, in particular the Gaerwen (A5 bus stop by Stermat) . The proposed bus stop improvements will provide better access

	<p>mynediad i'r bysiau trwy ledu'r llwybr troed wrth ymyl yr arhosfan tua'r de, a fydd yn darparu mwy o le i bob defnyddiwr, gan gynnwys y rhai sydd ag anghenion hygyrchedd. Cynigir llochesi bysiau newydd ar y naill ochr a'r llall i'r ffordd gerbydau, gyda gwelliannau ychwanegol yn cael eu cynnig gan gynnwys ychwanegu mainc allanol a phlanhigion ar yr ochr ddeheuol. Darperir croesfan newydd heb ei rheoli ar draws yr A5 sy'n cysylltu'r ddau arhosfan bysiau. Bydd y lloches bysiau tua'r gogledd yn cael ei symud yn agosach at Stermat, gan fod y llwybr troed yn lletach gan ei gwneud hi'n haws i ddefnyddwyr lywio o amgylch y lloches. Ystyrir Gwybodaeth Amser Real (RTI) yn y ddau arhosfan i ganiatáu i deithwyr bysiau wybod lleoliad y bus nesaf a'i amser cyrraedd. Mae gwaith datblygu pellach ac adeiladu'r cynlluniau arfaethedig hyn yn amodol ar sicrhau cyllid allanol pellach, ac mae hefyd yn ddibynnol ar gefnogaeth y cyngor cymuned, a derbyn cyfrifoldeb am y seilwaith bysiau newydd arfaethedig, gan gynnwys lloches bysiau, a meinciau ac ati. Ar ôl ystyried cynnwys y cynllun yn ofalus, penderfynodd y Cyngor BEIDIO â derbyn y cynnig o 2 Loches Bysiau newydd yn y lleoliad ond roedd am ddiolch i CSYM am eu cynnig.</p>	<p>to the buses by widening the footway adjacent to the southbound stop, which will provide more room for all users, including those with accessibility needs. New bus shelters are proposed on either side of the carriageway, with additional enhancements proposed including an addition of an outside bench and planters on the southbound side. A new uncontrolled crossing point will be provided across the A5 connecting both bus stops. The northbound bus shelter will be moved closer to Stermat, as the footway is wider making it easier for users to navigate around the shelter. Real Time Information (RTI) will be considered at both stops to allow bus passengers to know the location of the next bus and its time of arrival. Further development work and construction of these proposed schemes is subject to securing further external funding, and is also dependent on community council support, and accepting responsibility for the proposed new bus infrastructure, including bus shelter, and benches etc. Having carefully considered the contents of the scheme, Council decided NOT to take up the offer of 2 new Bus Shelters at this location but wished to thank the IOACC for their proposal.</p>
